SOUTHERN DISTRICT OF NEW YORK**

IN RE JAKKS PACIFIC, INC. SHAREHOLDERS  
CLASS ACTION LITIGATION

Case No. 04-CV-8807 (KMK)

**MEMORANDUM OF LAW OF LEAD PLAINTIFF MOVANTS QUANTUM EQUITIES  
LLC, KENNETH J. TUCKER, TONIA R. TUCKER-KRAUS, AND MICHAEL KRAUS,  
SUBMITTED PURSUANT TO THIS COURT’S MARCH 28, 2005 INSTRUCTION, IN  
SUPPORT OF THEIR MOTION FOR APPOINTMENT AS LEAD PLAINTIFF AND  
APPROVAL OF THEIR SELECTION OF WOLF HALDENSTEIN  
AND MILBERG WEISS AS CO-LEAD COUNSEL, AND IN  
OPPOSITION TO THE MOTION OF IEW**

Lead Plaintiff Movants Quantum Equities LLC (“Quantum”), Kenneth J. Tucker (“Tucker”), Tonia R. Tucker-Kraus (“Tucker-Kraus”) and Michael Kraus (“Kraus”) (collectively, the “Quantum Equities Group”) submit this memorandum of law pursuant to the instructions given by this Court at the March 28, 2005 hearing (the “Hearing”) in support of their motion for appointment as lead plaintiff and approval of their selection of lead counsel and in opposition to the motion of the International Electrical Workers (“IEW”).

**INTRODUCTION**

The purpose of this memorandum is to respond to questions raised by the Court with respect to: (a) the movants’ relative financial interest as calculated pursuant to the four-factor test employed by courts in this District, using LIFO analysis with respect to the fourth factor; (b) the price movement of JAKKS’s securities on October 19, 2005, the last day of the class period; and (c) the movants’ trading patterns on October 19, 2005. Additionally, as invited by the Court, the movants herein have determined that the Quantum Equities Group, comprised of an institutional

investor and three family members (formerly of the Tucker Group), with diverse trading patterns, is the “most adequate plaintiff,” pursuant to the PSLRA and, accordingly, seek appointment as lead plaintiff and approval of their selection of Wolf Haldenstein and Milberg Weiss as co-lead counsel. In contrast, IEW has an insignificant financial interest in the litigation as measured by the four-factor analysis and, as an in-out trader, is subject to “unique” defenses.<sup>1</sup>

# **I. UNDER THE FOUR-FACTOR TEST THE QUANTUM EQUITIES GROUP HAS THE LARGEST FINANCIAL INTEREST IN THE LITIGATION**

The Court asked counsel to submit an analysis of the relative financial interest of the movants under the four-factor, or “Olsten,” test for the lead plaintiff movants.<sup>2</sup> In determining the largest financial interest under the PSLRA using the four-factor test, the court examines: (1) the number of shares purchased during the class period; (2) the number of net shares purchased during the class period; (3) the total net funds expended during the class period; and (4) the approximate losses suffered during the class period. In re Olsten Corp. Sec. Litig., 3 F. Supp. 2d 286, 295 (E.D.N.Y. 1998) (citing Lax v. First Merchs. Acceptance Corp., No. 97 C 2715, 1997 WL 461036, at \*5 (N.D. Ill. Aug. 11, 1997)). Under this analysis, the Quantum Equities Group has the largest financial interest in the litigation. See Exhibit E. The Quantum Equities Group purchased 36,091 shares, ten times more shares than IEW; the Quantum Equities Group’s net shares purchased was 91, compared to IEW net shares purchased of zero; the Quantum Equities

<sup>1</sup> Previous lead plaintiff movants Frank Whiting, Scott L. Pearlstone, and Trudy Fanning have indicated to counsel their willingness to remain active in the litigation and reserve their right to be put forward as class representatives if needed at a later stage of the litigation.

<sup>2</sup> Recent cases decided in this District in which the four-factor analysis was applied for the purpose of determining relative financial interest include the following: Ferrari v. Impath, Inc., No. 03 Civ. 5667, 2004 U.S. Dist. LEXIS 13898, at \*16 (S.D.N.Y. July 15, 2004) (applying four-factor analysis to determine largest financial interest); Schulman v. Lumenis, Ltd., No. 02 Civ. 1989, 2003 U.S. Dist. LEXIS 10348, at \*18 (S.D.N.Y. June 17, 2003) (same); In re Initial Pub. Offering Sec. Litig., 214 F.R.D. 117, 121 (S.D.N.Y. 2002); In re Crayfish Co. Sec. Litig., No. 00 Civ. 6766, 2002 U.S. Dist. LEXIS 10134, at \*13-14 (S.D.N.Y. June 4, 2002).

Group's net expenditure of \$105,439 was 11.8 times the net expenditure of IEW's and the Quantum Equities Group loss of \$103,738 was 22 times greater than IEW's reported loss of \$4,708.

Consequently, by any measure relevant to the four-factor analysis, the Quantum Equities Group has a larger financial interest in this litigation than IEW.

## **II. THE ANNOUNCEMENT AT 3 A.M. ON OCTOBER 19, 2004 WAS A PARTIAL DISCLOSURE WITH A LIMITED IMPACT ON JAKKS'S SHARE PRICE THAT DID NOT END THE CLASS PERIOD<sup>3</sup>**

According to trading data obtained from the NASDAQ exchange, the closing price of JAKKS stock on October 18, 2004, was \$24.15. *See* JAKKS Pacific Pricing Information Chart attached as Exhibit A.

At 3 a.m. on October 19<sup>th</sup>, JAKKS ("JAKKS" or the "Company") issued a press release over the *Business Wire* reporting positive third quarter 2004 financial results (the "3 a.m. Release"). (*See* Exhibit B). The 3 a.m. Release reported other purportedly positive news as well.<sup>4</sup> In the ninth paragraph of the release the Company disclosed that it was in discussions with WWE with respect to the validity of certain licenses granted to JAKKS, that the discussions *may* have an impact on future revenue and earnings and that "[i]f the discussions with WWE and

<sup>3</sup> A chart showing the trading price of JAKKS's shares on October 19, 2004 and October 20, 2004 is annexed hereto as Exhibit G.

<sup>4</sup> The 3 a.m. Release referenced the "dramatic success of our TV Games line of products," the "strength of our record revenue and net income," and the continued expansion of "category offerings." The release stated that "[t]he current pace of our business is robust as we head into the holiday season, and due to this continuing strength, we are raising our 2004 guidance," and that the Company was "pleased with the performance of our new products," had "maintained our industry-leading position in TV Games, and expects to continue to capitalize on this growing market in the coming quarters through innovation and new products based on top current and retro licenses." The Release further stated that JAKKS was "very encouraged about the upcoming holiday season based on early responses from our retail partners," and that "[g]iven the increasing strength of our balance sheet, we are well positioned to take advantage of acquisition opportunities and to continue to deliver both sales and earning expansion throughout 2004 and beyond."

THQ are not satisfactorily concluded, the Company anticipates that litigation is likely to be commenced by WWE challenging the validity of the licenses and seeking compensatory and punitive damages, in which event the Company intends to vigorously defend itself against claims which it believes are without merit.” (Emphasis added).

The opening price of JAKKS securities at 9:30 a.m. on October 19, 2004, *after* publication of the 3 a.m. Release on *Business Wire*, was \$25.13, up 4.06% over the previous day’s closing price of \$24.15. However, the stock trended downward for the rest of the morning until 12:49 p.m. when, just before WWE filed its action against JAKKS, the price of JAKKS stock was \$22. Thus between the time that JAKKS issued the 3 a.m. Release, announcing the possibility of the lawsuit, and the actual filing of the lawsuit, JAKKS’s share price fell 8.9%, from the closing price of \$24.15 on October 18, 2004 to \$22.00.

At 3:16 p.m., with JAKKS stock trading at \$21.13, WWE released a press release over the *Business Wire* announcing that it had in fact, “filed an action in the U.S. District Court for the Southern District of New York against JAKKS Pacific, Inc., two foreign subsidiaries of JAKKS, THQ, Inc., a joint venture involving JAKKS and THQ, Stanley Shenker and Associates, Inc. and Bell Licensing, LLC” (the “3:16 p.m. Release”).<sup>5</sup>

Within 45 minutes of publication of the 3:16 p.m. Release, JAKKS shares had dropped \$2.78, or 13.1% to \$18.35 on approximately 1.7 million shares traded. By the end of trading on October 19<sup>th</sup>, the stock was trading at \$17.85 on approximately 2.4 million additional shares

---

<sup>5</sup> The 3:16 p.m. Release made clear that rather than being a mere trade dispute, as suggested by the 3 a.m. release, the “lawsuit alleges violations of the Racketeer Influenced and Corrupt Organization Act (RICO) and the anti-bribery provisions of the Robinson-Patman Act, and various claims under state law.” The release further stated that WWE was seeking treble, punitive and other damages and a declaration that the existing videogame license with the joint venture of JAKKS and THQ and a related amendment to the toy licenses with JAKKS were “void and unenforceable.”

since the 3:16 p.m. Release. The stock continued to drop through the next day, falling almost another \$5; on October 20, 2004, the stock closed at \$12.96 on trading volume of 16,683,542 shares. According to Bloomberg, the average daily trading volume for the year ending October 18, 2004, had only been 278,884 shares. See Exhibit D attached hereto.

Thus based on the content of the releases and market reaction to them it appears that the first news release was a partial disclosure, with the full disclosure, for the purpose of this action, as it stands now, occurring near the close of trading at 3 p.m.<sup>6</sup>

### **III. THE QUANTUM GROUP MEMBERS' TRADING PATTERNS ARE REPRESENTATIVE OF THE CLASS**

#### **A. QUANTUM EQUITIES**

While counsel are still trying to obtain specific information regarding the trading pattern of movant and institutional investor Quantum Equities LLC, it is clear from the NASDAQ trading data that the price of JAKKS stock last traded above \$23 at 9:53am. *See* Exhibit F. Therefore, Quantum Equities LLC purchased its shares (at \$23.2378) in the first minutes after the market opened and before the initiation, or announcement, of the pending lawsuit. The stock did not fall below \$21 until 1:48 p.m., so that Quantum Equities LLC sold its shares (at \$20.4842) either as the market collapsed on the WWE press release or after the initiation of the lawsuit. See id. Additionally, Quantum Equities LLC caused a complaint to be filed on its

<sup>6</sup> Many courts have held that “a ‘wide ranging analysis under Rule 23 is not appropriate [at this initial stage of the litigation] and should be left for consideration of a motion for class certification.’” Weinberg v. Atlas Air Worldwide Holdings, Inc., 216 F.R.D. 248, 252 (S.D.N.Y. 2003) (quoting In re Party City Sec. Litig., 189 F.R.D. 91, 106 (D.N.J. 1999)). *See also Basic, Inc. v. Levinson*, 485 U.S. 224, 249 n.29 (1988) (factual determination of whether the market was misinformed for entire 14 month period “is a matter for trial”). Accordingly, the fact that the Quantum Equities Group has provided an analysis of the effect of the 3 a.m. Release on JAKKS’s share price, and a determination of whether it was partial or full disclosure, should ***not be read*** as a concession that such an analysis is appropriate at this stage of the litigation or that such an analysis is appropriate for the purposes of establishing loss causation or damages. Additionally, the Quantum Equities Group reserves all of its rights to supplement and otherwise revise such analyses.

behalf.<sup>7</sup>

#### **B. THE TUCKER-KRAUS FAMILY**

The Tucker-Kraus Family is comprised of Kenneth Tucker; his daughter Tania Tucker-Kraus; and Ms. Tucker-Kraus's husband, Michael Kraus. Together, their trading in JAKKS securities is sufficiently varied to be representative of a large portion of the putative class, and, as set forth herein, far more representative than the trading of IEW. As set forth in the chart annexed as Exhibit C, members of the Tucker-Kraus Family purchased and sold shares in the following configurations, which are relevant to the Court's inquiries at the Hearing: all three of the Tucker Family members purchased on October 11, 2004, *before* any putative disclosure whatsoever. Kenneth Tucker purchased shares on October 19, 2004 *after* the putative partial disclosure. Two of the three Tucker Family members sold *all of their* shares between the putative partial and putative full disclosure on October 19, 2004, and one of the Tucker Family Members, Mr. Kraus, *held* shares *through and after* the putative full disclosure which arguably ended the Class Period. Moreover, Tucker Family members purchased more than 5,000 shares before any putative disclosure. Thus, between them, the Tucker Family Members represent a diverse array of trading patterns.

#### **IV. IEW IS AN INADEQUATE PLAINTIFF**

As the Court itself intimated by the issues it raised, IEW is an inadequate Lead Plaintiff because it suffered a very small loss during the Class Period and its board has no motive to devote sufficient attention to the prosecution of this litigation when compared to its other responsibilities.<sup>8</sup> In this case, IEW has taken the position that an in-and-out trader cannot

represent the class and must be rejected.<sup>9</sup> This same argument was rejected in this district by Judge Sweet. See Pirelli Armstrong Tire Corp. Retiree Med. Benefits Trust v. Labranche, No. 03 Civ. 8264(RWS), 2004 U.S. Dist. LEXIS 9571, at \*65 (S.D.N.Y. May 27, 2004). See also Serafimov v. Netopia, No. C-04-03364RMW, 2004 U.S. Dist. LEXIS 25184 (N.D. Cal. Dec. 3, 2004) (extensive in and out trader appointed lead plaintiff because net shares purchased during class period exceeded total shares purchased by other movants.). Even if it were so, IEW would be arguing for its own exclusion since it, too, is an in-and-out trader with **zero** net shares purchased during the class period.<sup>10</sup> Moreover, IEW would be subject to an “unique” defense as it alone among the movants has benefited from purchasing uninflated pre-class period stock later sold at inflated class period prices. If the proceeds of this sale were applied towards the losses claimed by IEW, it would result instead in a small gain.

Additionally, there are substantial discrepancies in what IEW has presented to the Court. IEW has submitted a certification under oath stating it purchased 400 shares on July 8, 2003, at \$13.35 per share; the low for July 8, 2003, was \$13.60. IEW claims to have purchased 1,100 shares on July 11, 2003 at \$13.79 per share; the high for July 11, 2003, was \$13.75. IEW claims to have sold 600 shares on August 13, 2003 at \$10.16 per share; the low for August 13, 2003 was \$10.81. Also, in its February 8, 2005, Reply Memorandum in Further Support of the Motion, IEW states that IEW, “had an opening pre-Class Period position of 500 shares of JAKKS common stock which were matched against its first Class Period sale of 500 shares at \$11.60 per share on July 24, 2003.” Yet the transaction they cite, 500 shares sold for \$11.60 per share on

---

<sup>9</sup> Counsel for IEW must know this is not true because they have represented an in and out trader who was certified as a Class Representative, See Welling v. Alexy, 155 F.R.D. 654, (N.D. Cal 1994).

<sup>10</sup> See Exhibit E.

July 24, 2003, does not appear on either the certification form, as required by the PSLRA, nor the loss chart they provided as an Exhibit in their February 1, 2005, submission, which had the effect of misrepresenting its position. Whether intentional to elevate its losses or a sign of carelessness, these “errors” in the data reported to the Court demonstrate adequacy issues.

Furthermore, unlike institutional investor and movant Quantum Equities LLC, which has caused a complaint to be filed on its behalf and which has demonstrated its authority to move for appointment as lead plaintiff, IEW has done neither.<sup>11</sup>

**APPOINTING MOVANTS QUANTUM EQUITIES LLC, KENNETH J. TUCKER,  
TONIA R. TUCKER-KRAUS, AND MICHAEL KRAUS AS LEAD PLAINTIFFS  
WOULD BEST SERVE THE INTERESTS OF THE CLASS**

In order to strengthen the leadership of the class, as invited by the Court, movants propose a lead plaintiff structure for the Class to be led by a small manageable group of sophisticated investors with diverse trading patterns, such as Quantum Equities LLC, Kenneth J. Tucker, Tonia R. Tucker-Kraus, and Michael Kraus, appointed as lead plaintiffs.

This group, consisting of an institutional investor and a family of father, daughter and son-in-law, with combined losses of \$103,738 on purchases of 36,091 class period shares for \$842,848, and with a \$105,439 net value expended during the class period, has the largest financial interest as defined by the PSLRA.

---

<sup>11</sup> IEW has also failed to provide any information that its “Administrative Manager” has the authority to act on the entity’s behalf. In the unlikely event that the Court finds IEW to be the most adequate plaintiff, movants Quantum Equities LLC, Kenneth J. Tucker, Tonia R. Tucker-Kraus, and Michael Kraus respectfully request discovery of IEW pursuant to the PSLRA, 15 U.S.C. § 78u-4(a)(3)(B)(iv).

**CONCLUSION**

For the foregoing reasons, Movants request that the Court: (i) appoint movants Quantum Equities LLC, Kenneth J. Tucker, Tonia R. Tucker-Kraus, and Michael Kraus as Lead Plaintiffs in the Action; and (ii) approve movants' selection of Milberg Weiss Bershad & Schulman LLP and Wolf Haldenstein Adler Freeman & Herz LLP as Co-Lead Counsel for the Class.

MALIBU, Calif. - (BUSINESS WIRE) - Oct. 19, 2004 -

Reported Revenue and Net Income Surge 128.2% and 148.8% Company Raises 2004 Revenue and Earnings Guidance

JAKKS Pacific, Inc. (NASDAQ:JAKK), a leading multi-brand company that designs and markets a broad range of consumer products, including toys and writing instruments, today announced record results for the three- and nine-month periods ended September 30, 2004.

Third quarter net sales increased 128.2% to \$206.1 million in 2004, compared to \$90.3 million in the comparable period last year. Excluding non-cash, stock-based compensation charges and also a one-time gain in 2003, net income for the period increased 195.8% to \$25.7 million, or \$0.95 per diluted share, compared to \$8.7 million, or \$0.35 per diluted share, for the third quarter of last year. Reported net income for the third quarter 2004, including pre-tax non-cash, stock-based compensation charges of \$2.5 million, was \$23.8 million, or \$0.88 per diluted share, in 2004, an increase of 148.8% over the \$9.6 million, or \$0.39 per diluted share, for the same period last year, after a one-time, pre-tax gain of \$0.7 million relating to recoveries on a recall of one of the Company's products.

The Company's net sales for the nine months ended September 30, 2004, increased 68.3% to \$389.5 million, from \$231.4 million during the same period in 2003. Excluding pre-tax, non-cash, stock-based compensation charges and a one-time net product recall charge, net income for the nine-month period was \$41.3 million, or \$1.57 per diluted share, an increase of 106.7% from \$20.0 million, or \$0.81 per diluted share, in the comparable period last year. Reported net income for the first nine months of 2004, including pre-tax charges of \$8.5 million for non-cash, stock-based compensation in 2004 and a one-time net charge of \$2.0 million for the voluntary product recall in 2003, was \$34.7 million, or \$1.32 per diluted share, compared to first nine-month 2003 earnings of \$18.7 million, or \$0.76 per diluted share.

"We are extremely pleased with our third quarter results and the dramatic success of our TV Games line of products," said Jack Friedman, Chairman and Chief Executive Officer, JAKKS Pacific. "Our strategy to build an extensive portfolio of innovative non-licensed and licensed products, while simultaneously improving operating efficiencies, is reflected in the strength of our record revenue and net income for the third quarter. We continue to expand our category offerings and believe our marketing programs are fueling sales and product placement, even in the face of a challenging retail environment. The current pace of our business is robust as we head into the holiday season, and due to this continuing strength, we are raising our 2004 guidance. We now anticipate revenue for 2004 to be approximately \$500 million and earnings to be in the range of \$1.85 to \$1.90 per diluted share before non-cash stock-based compensation charges, up from \$440 million in sales and earnings in the range of \$1.75 to \$1.80 per diluted

share.

"We are pleased with the performance of our new products obtained through the acquisition of Play Along, including our new Cabbage Patch Kids(R) dolls and Care Bears(R) plush and preschool learning toys."

Stephen Berman, President and Chief Operating Officer, stated, "Our ability to reinvent and expand our portfolio of brands is most evident in our traditional toys segment, which includes action figures, wheels, TV Games and plush dolls. We have maintained our industry-leading position in TV Games, and expect to continue to capitalize on this growing market in the coming quarters through innovation and new products based on top current and retro licenses. By the end of 2004, we will have a total of 12 TV Games(TM) products in the market, up from four at the end of 2003. We have also begun to expand our distribution of the games to international markets, including Europe, Australia and New Zealand. Looking to 2005, JAKKS will be introducing over 20 new exciting titles."

Mr. Berman continued, "We are very encouraged about the upcoming holiday season based on early responses from our retail partners. We anticipate that Care Bears, Cabbage Patch Kids and TV Games will top several 'Hot Toy' lists for the 2004 holiday season, as they have been named to several already. We have secured prime placement at retailers nationwide for our TV Games line in the fourth quarter of this year, and expect our plush toys and World Wrestling Entertainment product lines, as well as other lines, to perform very well."

Mr. Berman concluded, "Our strong performance led to \$86.4 million in cash flow from operations during the first nine months of 2004. We have over \$218.5 million of working capital, including cash and equivalents and marketable securities of \$151.9 million. Given the increasing strength of our balance sheet, we are well positioned to take advantage of acquisition opportunities and to continue to deliver both sales and earning expansion throughout 2004 and beyond."

The Company also announced that it is engaged in discussions with WWE concerning the restructuring of its toy license and with WWE and THQ with respect to the restructuring of the JAKKS THQ Joint Venture video games license agreement with WWE. The discussions are an outgrowth of certain litigation that has been pending between WWE and a former licensing consultant to WWE and a former employee of WWE, to which the Company is not a party. WWE has raised questions about the validity of the licenses as a result of certain transactions between the Company and that licensing consultant that occurred more than six years ago. The Company has denied any wrongdoing in connection with the transactions with the licensing consultant and maintains that they were unrelated to either the toy or video game license. If the discussions are satisfactorily concluded, the restructuring of the licenses may have an impact on the Company's future revenues and net income to an extent that is presently unknown. If the discussions with WWE and THQ are not satisfactorily concluded, the Company anticipates that litigation is likely to be commenced by WWE challenging the validity of the licenses and seeking compensatory and punitive damages, in which event the Company intends to vigorously defend itself against claims which it believes are without merit.
